Support

GeorgiaBEST (Banner Enhanced System Team) is responsible for supporting, maintaining and delivering innovative technology solutions through centrally managed applications to meet the administrative and student-focused needs of the University System of Georgia (USG) institutions.

GeorgiaBEST successfully and seamlessly supports critical core functions such as admissions, registration, financial aid, grade reporting, student billing and refunding as well as provisioning integrations with other critical USG services like Administrative Services, the Intra-Georgia Registration Sharing System (INGRESS), GeorgiA Library LEarning Online (GALILEO), GAfutures, Brightspace by D2L (formerly Desire2Learn) Learning Management System and Data Collections.
