

SC.080.101 - Maintaining User Profiles

Purpose	• To lock or unlock a User Profile • To add/remove roles from a User Profile
Description	This topic demonstrates how to maintain User Profiles. Maintenance of User Profiles includes tasks such as the unlocking of an account, changing a user's password, and the addition or removal of security roles. All Users should be evaluated to determine whether or not they will be required to process Banner student payments. If they will need to add, maintain, or process payments for Banner students, then the "BOR_BU_XXXXB" Permission List should be selected as Primary. (Example: BOR_BU_2200B)
Security Role	BOR_LOCAL_SEC_ADMIN
Dependencies/ Constraints	For a Security Administrator to perform the User Profile maintenance covered in this Business Process, a User ID must exist for the user, meaning they must have self-registered for a User ID or one must have been created for them.
Additional Information	None
