

Campus Code Descriptions

Spring 2026 End-of-Term Collection

Beginning with the Spring 2026 End-of-Term (EOT) 20264 Academic Data Collection, campus code descriptions will be collected. The campus code description is an open text field in Banner that represents the description of the associated campus codes that we already collect. We do not anticipate any additional work will be required for institutions as we implement this change. Details are outlined below.

The Campus Code associated with a course section is collected from SSBSECT. We will now be collecting the description associated with that Campus Code, which is available on Banner Administrative Form STVCAMP.

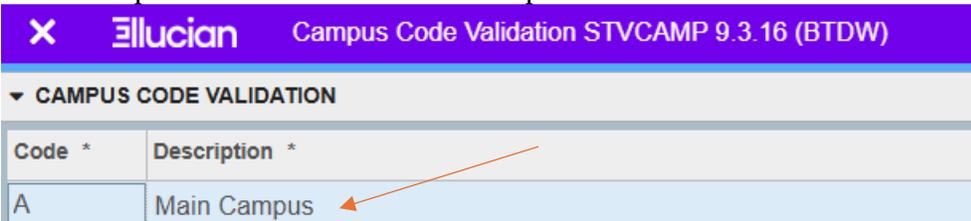

Example:

The Campus Code on SSASECT.

The screenshot shows the Banner SSASECT form for 'Schedule SSASECT 9.3.37 [GA 9.4.1] (BTDW)'. The course details are: Term: 202508, CRN: 80606, Subject: ACCT, Course: 2101, Title: Accounting Principles I, Course Alias: . The 'COURSE SECTION INFORMATION' tab is active, showing Subject: ACCT and Campus: A. An orange arrow points to the 'A' in the Campus field.

The description associated with this Campus Code on STVCAMP.

The screenshot shows the Banner STVCAMP form for 'Campus Code Validation STVCAMP 9.3.16 (BTDW)'. The 'CAMPUS CODE VALIDATION' table is visible, with the following data:

Code *	Description *
A	Main Campus

An orange arrow points to the 'Main Campus' description in the table.

ITS will send out additional communication regarding these changes closer to the Spring 2026 EOT collection. Institutions are also encouraged to sign up for beta testing with ITS prior to the opening of the Spring 2026 EOT collection.

These changes to the collection were approved at the September 2025, Academic Data Governance Committee meeting.

As always, we appreciate all you do for the Academic Data Collection. Please contact us at support@usg.edu if you have any questions.
