

University System of Georgia
Academic Data Governance Committee Meeting
Wednesday, May 15th, 2024

I. Welcome

II. Update to Upcoming Collections

ADC Summer Mid-Term

- Changing validation VSPE016 (If M is submitted for Degree Level Code, then the Student Level must be 72) to fire only for majors, not concentrations.
- Fixing an ETL issue with Course Section Technology that can cause failure
- Adding STU_INST_UID to display in Cognos for VSTE221 (State of Origin must be a valid code except for citizenship status codes of A) to ease identifying students
- Adding validation to prevent graduate level students from receiving Border State Waivers per policy
- Remediation for error VSTE011 [If matriculation date is >= than 20031, then if Admit Type is "FR" for Traditional Freshman (but High School Code does not equal "NNNNNN" and High School Diploma Type does not equal "HS" or "GD"), the High School GPA cannot be null] to properly account for null HS diploma type.

ADC Fall End-of-Term

- Standard Nursing Interest Concentration Code (pending second reading approval)

III. Change to Existing Data Element Request -Collection of Standard Nursing Interest Concentration Code (second reading) - [Passed](#)

IV. Update on Change to Degree Level Codes for Graduate-Level Certificates

V. New business
