## Summary of Degrees Conferred Report

This report presents the total number of awards, certificates, and degrees conferred by discipline in each institution in the University System of Georgia for FY2007.

Institutions appear alphabetically within their sector. (See the Table of Contents for the five sectors in the University System of Georgia and the institutions in each sector.) Each institution's report is organized numerically by CIP code (Classification of Instructional Program 2000). Undergraduate awards and degrees include certificates of less than one year, one-year certificates, associate degrees, two-year certificates, and bachelor's degrees. Graduate degrees and certificates include the advanced certificate, master's degree, specialist degree, doctorate and professional degrees.

Also provided is a System report of the total numbers of degrees and awards by CIP code, irrespective of institution. This System report begins on page 211.

It will be helpful to note that CIP codes are more specific at the six-digit level. For example, there are many fields of study under education, CIP code 13. However, each specific education program (e.g., art education, special education) has a six-digit CIP code beginning with 13. The number of degrees and awards listed in specific fields of study are also shown. The name of the major (CIP label) used here is the federal name. If an institution's major name differs, the federal name is used.

A CIP is listed for an institution if a degree at any level is offered under that CIP. A zero does not necessarily mean that a degree is offered in that CIP at that level and that zero degrees were conferred. It may mean that a degree is not offered or that no degrees were conferred. Similarly, the inclusion of a degree level (doctorate, professional, etc.) does not mean that that level is permitted at that institution.

The CIP code book may be printed or downloaded from the web at <http://nces.ed.gov/pubsearch/pubsinfo.asp?pubid=2002165>. Contact our office at (404) 656-2213 if you need additional information.
